Class History

We, the Seniors of '54, are at the top of the long ladder toward that great event, our graduation. Now realizing our school days are numbered we recall with fond memories all those things, both large and small, which have made our high school life so enjoyable. As we shall soon be the Alumni of Gibsonville High, we wish to share some of our memories of the days which seemed so many but were far too few.

In September, 1950, sixty-five excited and happy Freshmen entered high school. Under the guidance of Mr. Gerald D. James, our principal Mr. I. H. Vickery, Jr., and Mr. Glen Macy, our homeroom teachers, we quickly adjusted to the schedule. Class officers chosen in Mr. Macy's room were Robert Tickle, Glenn Smith, and Irma Walker and in Mr. Vickery's room were Peggy Geringer, Nancy Greeson, and Mary Edna Apple. Many of us took part in club activities and several of our classmates began their athletic careers, which will not soon be forgotten. The year seemed to pass slowly, but at last it was over. We were glad to have a summer vacation.

September, 1951, found forty-seven sophomores in the homerooms of Miss Doris Nance and Mr. Frank Randall. During the first days of school we chose as our class officers Glenn Smith, president; Robert Tickle, vice-president; Nancy Walker, secretary; and Raland Shepherd, treasurer. Members of our class joined in more activities and really became an outstanding part of our high school. We struggled through *Julius Caesar* determined to pass and most of us did, too. May finally rolled around, and we found that half of our high school days were over. We eagerly looked forward to September and our Junior year.

In September, 1952, forty-three noisy Juniors entered Miss Catherine Chiffelle's homeroom and found that we had a new principal, Mr. Martin C. Freeman. Class officers were Robert Tickle, president; Howard Ray, vice-president; Mary Edna Apple, secretary; and Susan Randolph, treasurer. During this exciting year one event followed another closely. Our Junior Play, "Lights Out," which we shall all long remember, was presented on December 5 and 6. Our ruby class rings, which we had waited for so long, arrived on March 30, 1953. Finally, on April 24, our last taken to the Seniors, the Junior-Senior Banquet, "Starlight," was given at the Mayfair Cafeteria in Greensboro. The days flew quickly, and before we realized it, one of the best years of our lives was gone.

September 10, 1953, found us forty-two gay and carefree Seniors. At last we were at the top. We were leaders in many activities, being led ourselves by Miss Estelle Brawn. Chosen to lead our class were Raland Shepherd, president; Susan Randolph, vice-president; Ann Ingle, secretary; and Billie Ann Younger, treasurer. The annual Staff was soon elected and began to work hard on one of the highlights of our Senior Year, the publication of the "Yell-O-Jak." Carolina blue and white were chosen as our class colors, the red rose as our class flower, and "Strive Forward to Seek the Best," as our motto. On November 11, Judy Schoolfield and Frankie Allred were chosen as our class mascots. We began to look forward to our Senior Play, the Junior-Senior Banquet, the Washington trip April 20-25, and finally our graduation on May 31.

Now that we shall soon be the Alumni, we realize as we take our opposite paths in life, that we shall miss the many good times we have had together, but we face the future with high hope and courage, believing that we shall be able to overcome all trials which are in our paths because we have built a firm foundation while at Gibsonville High. Now as we go out into the world we hope we shall be able to do justice to our fine school and that someday you will be able to point to us, the graduate of '54, and say, "I knew them when . . ."

Class Prophecy

Time surely has passed since I graduated from high school. Here it is 1964 and in my lovely home I am about to entertain the 1954 graduates.

I wonder who will be the first of my 41 classmates to arrive. Oh! Oh! I hear a car driving up so I guess I had better let my first guest in.

Geepers! Are we starting a nursery here? Why, here are Susan, Ann, Lois, Peggy, Clara, Nancy D. and Rachel with their progeny. Their time is well taken up. I wonder how Ann has time to keep up with her work as a beautician.

Here come our very efficient secretaries: Nancy, Betsy, Catherine and Mary Edna. Betsy is combining two careers—that of housewife and secretary.

It's nice that Bill, an expert mechanic, came along with Glenda, Marlene, and Mary for their talents lie in the field of beauty rather than in that of machinery. They do excellent work on one's hair and face in their modern shops on Times Square in New York City.

Here making their appearance are the three buddies: John, a chemist at Johns Hopkins Hospital, Paul Dean, head coach at East Carolina College; Robert, the successful lawyer who has just won a highly publicized murder case.

Well, what have we here: I believe the whole armed service has moved in. Here are Billie Ann, an ex-wave, who was married in '57, Buddy, Bobby G. of the U. S. Navy, Larry, Donald, William, and Floyd of the U. S. Army, and Bobby Webster of the Air Force.

Now entering are Frank, who has become one of our most properous farmers; Fred, now an employee at Western Electric and Douglas, a clerk with the Southern Railway.

Now arriving is Roland, pastor of the First Christian Church, accompanied by our business men, Howard, business administrator of Hillside Bray Company and Bobby, a contractor of J. O. Boyards Company.

Here are the two quiet buddies, Don, still popping corn, and Glenn, a crime investigator.

Rushing in last is Nancy S. lab. technician at Alamance General Hospital.

Thanks to Elizabeth, an expert florist, and Artist Tommy, our decorations are complete.

Since disc jockey Irma is helping with the entertainment and Peggy and Betty, the owners of the chain of Good Foods Restaurants, have charge of the refreshments, our reunion should be a great success.

Defense

Our defense turned in a fine job for G. H. S. this year. To our offense we give due credit, but the team's fine defensive work was responsible for its fine record.

Although our opponents averaged two touchdowns a game, the defense held, many times near the end zone.

Our offense rolled up 153 points compared to 109 points for our opponents. We should have had a better record, but tough breaks cost us three ball games.

"Back"*

As you turn these pages today, or on some tomorrow, you will re-live the wonderful times you had "back in the good ole' days" at your Alma Mater. With the passing of years this annual will become a priceless treasure-train to whisk you back along memory lane to rejoin your old friends and re-visit familiar places.

As we at USECO turn these pages, we see the America of tomorrow. The farmers, the lawyers, the doctors, and the many trades and professions are so ably represented within these pages. We are honored to have played a part in recording this pictorial history of your 1954 school days . . .
. . . and THAT'S A FACT!
